Mr. Eats-It Tech Data Sheet

Floor Dust Remover & Eliminator

Mr. Eats-It Floor Dust Cleaner & Eliminator (FDCE) is an “all in one” product that both cleans and binds dust to the floor which the microbes eliminate. FDCE deep cleans, cares for and maintains all floor surfaces that can withstand water.

- Biodegradable and non-hazardous
- Product improves indoor climate with its properties to retain particles and dust
- Concentrate which will need to be mixed with water using Dosage instructions below
- Mr. Eats-IT FDCE replaces all other floor cleaning products when cleaning dirt and dust

MIXING INSTRUCTIONS

Mix with cold tap water. DO NOT mix with other cleaning agents.

DOSAGE

Offices/Schools/Institutions/Nursing Homes/ Shopping Malls, etc.

- Mix 2% or 2.50 oz per gallon when used 1-2 times per week
- Mix 1-1.5 % or 1.5-2 oz per gallon when used 3-5 times per week

Industrial Flooring Warehouse and Production

- Mix 3% or 3.80 oz per gallon when used 1-2 times per week
- Mix 2% or 1.5 oz per gallon when used 3-5 times per week

APPLICATION INSTRUCTIONS

In a mop bucket or floor scrubbing machine was the surface in the direction of the floor’s length. If using a mop and the floor is extremely dirty it’s best to have two mop buckets. A bucket with the cleaning solution and a bucket to wring the mop into. It is important that no water is left on the floor after washing.

If too much FDCE was mixed then what was recommended the floor may feel sticky. This can be washed off easily with clean water.
